Student / Mentor Project Parental Permission Form

As part of the New Hampshire Scholars Initiative, _____ High School has collaborated various activities and events to enrich the experience of your student. School/business partnerships increase community awareness and support. Our business volunteers understand the importance of preparing students for life after high school and the need to attain 21st Century skills. Through this partnership, our goal is to heighten career awareness, improve interview techniques, enhance career development, and generally prepare students for college and/or the challenging workforce.

Activities may include:

- One-on-one mentoring with a business professional
- Individual Q&A between business leader and student creating an informational interview setting
- Student and business leader pairings to work on various 21st Century skills relative to that career field

All activities and contact will take place at _____ High School and will be supervised by school personnel.

I hereby grant permission to my child, _____ to participate in the mentoring project described above.
