

WANTED!

**A few good community-minded business people
to assist in the education of New Hampshire's
future work force!**

PROGRAM: New Hampshire Scholars Program

OBJECTIVE:

This community-based program brings business and community volunteers into NH classrooms to encourage students to take more rigorous core courses in high school to better prepare them for college and careers.

TIME COMMITMENT:

- 1 Training Session (1.5 hours).
- 1 Visit to School for Presentations (less than one half of a business day).

All materials – including a PowerPoint presentation, fact sheet and tips for presenters – are provided for you.

BENEFITS:

- A better prepared and more capable workforce.
- Satisfaction of knowing you are making a difference in the lives of students in your community.
