

## **Scholarships & Free Applications Available to NH Scholars for 2018-2019**

Institutions are providing merit-based scholarships to students who are on track to graduate with the distinction of a NH Scholar.

**Colby-Sawyer College:** Offers renewable merit scholarships ranging from **\$20,000 to \$26,000**. NH Scholars students may be eligible. Apply for admission online for free at [www.commonapp.org](http://www.commonapp.org) select 'fee waiver' option.

**Franklin Pierce University:** Renewable merit scholarships ranging from **\$15,000 to full tuition** scholarships annually for accepted NH Scholars, STEM or ARTS students. Additionally, NH Scholars majoring in Biology or Health Sciences may be eligible for an additional **\$5,000** Health Sciences Scholarship. Apply for admission online for free at [www.commonapp.org](http://www.commonapp.org) select 'fee waiver' option or online at [www.franklinpierce.edu](http://www.franklinpierce.edu)

**Granite State College:** Apply for admission online for free at [www.granite.edu](http://www.granite.edu) select 'fee waiver' option.

**Keene State College:** Offers NH Scholars graduates who meet the merit scholarship requirements, renewable awards of **\$3,500 - \$5,500** annually. Students are considered for merit scholarships at the time of application review and no additional application is required. Notification of awards is included in your acceptance letter.

**MA College of Pharmacy & Health Sciences:** Apply for admission online for free at [www.commonapp.org](http://www.commonapp.org) select 'fee waiver' option.

**New England College:** Offers NH Scholars renewable merit scholarships ranging from **\$15,000 - \$20,000** for accepted NH Scholars. For NH STEM or ART Scholars, accepted students qualify for a renewable **\$20,000** Presidential merit aid award. Apply for admission online for free at either <https://apply.nec.edu/apply/> or [www.commonapp.org](http://www.commonapp.org) select 'fee waiver' option.

**New Hampshire Institute of Art:** Candidates for the NH Scholars ARTS Pathway will be offered renewable merit scholarships ranging from **\$5,000 - \$15,000** annually upon acceptance into NHIA's BFA program. For a fee waiver, please email Jonathan Lindsay [jonathanlindsay@nhia.edu](mailto:jonathanlindsay@nhia.edu) prior to applying.

**Plymouth State University:** Offers NH Scholars renewable merit scholarships ranging from **\$3,000 - \$5,500** annually, for accepted NH Scholars STEM or ARTS students. Additionally, students accepted into a STEM field at PSU are eligible for an additional annual **\$1,000** STEM award. The value of awards for these students range from up to \$12,000 - \$26,000 total over four years. Apply for admission online for free at [www.plymouth.edu/apply](http://www.plymouth.edu/apply) choose "Panther Application" when applying.

**Rivier University:** Offers NH Scholars renewable merit scholarships up to **\$16,000** for accepted NH Scholars. Additionally students within the Greater Nashua area are encouraged to apply for the Tamposi Scholarship which awards four renewable scholarships yearly ranging from **\$5,000 - \$10,000**. Apply for admission online for free at [www.rivier.edu](http://www.rivier.edu) or [www.commonapp.org](http://www.commonapp.org) select 'fee waiver' option.

**Saint Anselm College:** Offers renewable merit scholarships ranging from **\$12,000 - \$24,000**. NH Scholars students may be eligible. Application fee waivers will be distributed to the high schools through the NH Scholars office. Students applying at [www.commonapp.org](http://www.commonapp.org) can select 'fee waiver' option and mail their waiver to SAC separately.

**Southern New Hampshire University:** Offers accepted NH Scholars renewable merit scholarships of up to **\$20,000**. Apply for admission online for free at [www.commonapp.org](http://www.commonapp.org). Select "YES" when asked if you have an SNHU-specific fee waiver.

**University of New Hampshire/Durham:** Offers qualified NH Scholars graduates who meet institutional merit scholarship and admission requirements, renewable merit scholarships valued at **\$1,000-\$5,000** per year. Students are considered for merit scholarships at the point of acceptance; no additional scholarship application is required. Notification of eligibility is shared in a student's letter of acceptance to UNH. Scholarship criteria is listed on the following webpage: <http://admissions.unh.edu/merit-scholarships>

**The University of New Hampshire/Manchester:** Offers NH scholars a **\$1,000/yr** (\$500/semester) scholarship renewable for a total of 8 semesters. Students are considered for merit scholarships at the point of acceptance. Notification of eligibility is shared in a student's letter of acceptance to UNH. Eligibility criteria, and listings of additional merit scholarships, can be found at the following webpage: <http://manchester.unh.edu/admissions/financial-aid/scholarships>

Each **New Hampshire Community College:** Offers NH Scholars twelve (12) **\$500** merit awards to accepted NH Scholars (guidance should communicate with local admission director to determine how many are available). Awards are not renewable.

**Recognizing New Hampshire Scholars:**

Students are encouraged to identify with New Hampshire Scholars during the fall of their senior year. Students should also highlight the NH Scholars achievement on their college applications and follow up with the college admissions office to ensure colleges are aware of this honor. Additionally, high schools are encouraged to add NH Scholars to a student's transcript.
