

NH SCHOLARS WORK-BASED LEARNING (WBL) EVALUATION FORM

We recognize that there are a range of Work Based Learning experiences. The NH Scholars Career Pathway designation requires an *extensive experience*. In a competency-based environment we try to refrain from a set number of hours, but the experience should cover at least an academic quarter and have at least one significant WBL event per week.

A work-based learning experience is generally aligned to some form of both competency / technical skills and/or professional / soft skill (called Work-Study Practices in NH). This evaluation aligns more so to the latter. This evaluation is written in a format that aligns to the workplace and intentionally is not written in educational language.

Finally, an extensive work-based learning experience needs to be based on at least two quick evaluations; one mid-experience (more extensive) and one at the end (less extensive, more or less a grade).

This form is not a mandatory element of approval of the NH Scholars Career Pathway Designation; it is recommended. Some district have their own forms developed. We reviewed many in the creation of this form.

STUDENT NAME:

SCHOOL PARTNER:

INDUSTRY PARTNER:

MID ASSESSMENT:

ALL EXPERIENCES (NH Work-Study Practices addressed: Self Direction)				
Professional Appearance	__ 3	__ 2	__ 1	__ N/A
Ability to Learn	__ 3	__ 2	__ 1	__ N/A
Attendance / Punctuality	__ 3	__ 2	__ 1	__ N/A
Time Management Skills	__ 3	__ 2	__ 1	__ N/A
Work Ethic	__ 3	__ 2	__ 1	__ N/A
Attitude	__ 3	__ 2	__ 1	__ N/A
ONLY FOR MORE INTENSIVE EXPERIENCE (NH Work-Study Practices addressed: Collaboration, Communication, Problem Solving)				
Relationships with Others (interactions)	__ 3	__ 2	__ 1	__ N/A
Communication Skills (both written and verbal if observed)	__ 3	__ 2	__ 1	__ N/A
Quality of Work	__ 3	__ 2	__ 1	__ N/A
Dependability	__ 3	__ 2	__ 1	__ N/A
Business	__ 3	__ 2	__ 1	__ N/A
Etiquette / Professionalism	__ 3	__ 2	__ 1	__ N/A
Ability to accept	__ 3	__ 2	__ 1	__ N/A

constructive criticism				
Ability to use and acquire information / data specific to the industry	__ 3	__ 2	__ 1	__ N/A

FINAL ASSESSMENT:

Based off my work-based learning experience with this student, I believe this student's final work-based learning grade should be:

__ A	__ B	__ C	__ D	__ F
------	------	------	------	------

Please share any feedback below that you think may be helpful to the student in their future based on their self-direction, collaboration, communication and problem solving:
