

INTERESTED IN BECOMING A SPONSOR FOR NEW HAMPSHIRE SCHOLARS?

Becoming a sponsor of New Hampshire Scholars is a great way to support students in their effort to graduate better prepared. There are many opportunities for sponsorship and we recognize that sponsors may wish to contribute at different levels. One of our greatest needs is funding transportation for high schools to attend NH Scholars events.

TRANSPORTATION SPONSORSHIP OPPORTUNITY – NH SCHOLARS DAY **\$500**

- Opportunity to be recognized as a local high school's bus sponsor for this event (May 28, 2020)
- Recognition in NH Scholars Day promotional material at your local high school including signage on the bus during travel to and from the event
- Complimentary tickets for organization representatives to NH Scholars Day

What is NH Scholars Day?

An annual recognition event for the NH Scholars graduating class. This event brings students, educators, legislators and business & community leaders together to celebrate the accomplishments of thousands of scholars. This year we graduated 5,400 high school seniors with the distinction of a NH Scholar. These students enroll and successfully complete a rigorous core course of study. We have multiple pathways for students to strive towards: NH Scholars with STEM Emphasis (a focus on science, technology, engineering, math); NH Scholars with Arts Emphasis; NH Scholars Career Pathway; and the traditional NH Scholars core curriculum.

During the celebration, students hear from distinguished guests proudly congratulating them on their accomplishments. Following the ceremony students and their families, educators, business leaders and legislators are invited to stay for a NH Scholars-themed baseball game in which the New Hampshire Fisher Cats begin play at 11:35am.
